

***We Guarantee You Will Notice
The Difference***

We understand that selecting the right memorial for a loved one or yourself can be a difficult decision.

Dan Kantar & Associates has chosen manufacturers with the assurance of quality, craftsmanship, the finest design, & best possible value. Each personalized memorial is carefully hand crafted to reflect the uniqueness of the individual or family it memorializes.

We don't engrave mass produced blank markers and stones. Large pieces of granite are hand crafted from start to finish in our manufacturing facility in the St Cloud, Minnesota area. We cut, polish, shape, and engrave your monument with centuries of experience and guarantee that your monument will stand the test of time commemorating your loved one for eternity.
